Temperature Check at School

Student Daily Screening Activities

Passed symptom screening and temperature check

Student or Staff Member is showing symptoms of COVID-19

<u>**Student/Staff shows any of the following symptoms:**</u>
Fever or chills
Shortness of breath
New loss of taste or smell
Cough

Other symptoms of COVID include:
Nausea, vomiting, fatigue, malaise, headache, muscle or body aches, sore throat, congestion or runny nose. *CDC (8/2020)
Symptoms may appear 2-14 days after initial exposure to the virus. *CDC

Student or Staff has close known exposure to + COVID-19 outside of school ✱

Student or Staff is exposed to COVID-19 positive person at school ✱

Student/Staff should quarantine for 14 days. Student will participate in distance learning while away from school. If test obtained, please see below. Must return with doctor's note.

<u>Not Tested:</u>
Student or staff member should isolate for 14 days since symptoms began **and** must have 3 calendar days without symptoms before returning to school. Distance learning during absence.

<u>Positive Test:</u>
Student/Staff should isolate for 14 days since symptoms began and must have 3 calendar days without symptoms (or use of fever reducing medications) before returning to school. Student must have doctor's note to return to school. During absence, student will participate in distance learning as able.

<u>Negative Test:</u>
If asymptomatic with a negative test, student/staff member may return to school after symptom free for 72 hrs. Distance learning will be available to all students during absence.

<u>Negative Test, Not Tested & No Symptoms:</u>
Student/Staff should quarantine for 14 days even with a negative test due to delayed onset of symptoms. Distance learning will be available while student is away from school awaiting results.

<u>Positive Test:</u>
Student/Staff should isolate for 14 days since symptoms began and must have 3 calendar days without symptoms before returning to school. Student must have doctor's note to return to school. During absence, student will participate in distance learning as able.

Student or Staff Members will return to school with doctor's note after meeting above criteria.

HEALTHY STUDENT/STAFF: No symptoms, no recent exposure. BACK TO SCHOOL!!

Student or Staff Members will return to school with doctor's note after meeting above criteria.

"Exposure" for COVID-19 means a person was in contact with a person who tested positive for greater than 15 minutes within 6 feet. (See CDC - "Quarantine If You Might Be Sick" for further guidelines.)
Please note, exposures will be handled on a case by case basis.

Please note, this is subject to change as needed per CDC, Missouri DHSS and St. Louis County DPH Guidelines.

For positive cases in the school and within a classroom, administration will determine "close contacts" and those who have had "exposure" as deemed by CDC guidelines. CCLS Administration or Health Professionals will contact those who should quarantine based on contact tracing for each case and per local and CDC guidelines.
