

Early Childhood Education

Infants & 1s

Classrooms available
at our Glendale &
Kirkwood Campuses

The early childhood program at CCLS carries out its vision to transform lives through Christ-centered education through the exceptional care and rich learning environment we provide.

Our littlest ones are encouraged to experience the wonders of learning and the joys of growing in our safe, loving classrooms. We partner with our families to nurture the development and growth of each child physically, cognitively, emotionally, socially and spiritually.

At this stage in life, children are active, inquisitive explorers. Our infants and one-year olds will thrive in the care of our loving educators who will encourage each child's natural curiosity through purposefully designed activities. We seek to develop the whole child while wrapping them in the love of Jesus. It is an extraordinary privilege to watch our students grow into all that God has created them to be!

I'm a CCLS graduate who is now sending her kids to this school because it's so amazing! They have an awesome, caring staff who have been led by faith to teach. This is such a great community of families doing life together!
