

Early Childhood Education

2-4 Year Olds

Classrooms at:

- Crestwood Campus
- Glendale Campus
- Kirkwood Campus
- Webster Campus

The early childhood program at CCLS carries out its vision to transform lives through Christ-centered education through the exceptional care and rich learning environment we provide.

Our educators provide a meaningful, play-based classroom through which the students will build early math skills, explore science concepts, and develop pre-emergent reading and writing skills. Intentional focus will also be given toward the development of essential social-emotional and self-help skills.

We seek to foster extraordinary growth in language development and socialization as our early childhood students learn about themselves and the world that God created. Students will be further encouraged to problem solve and grow in independence, securing confidence in their kindergarten readiness and future academic success.

“

I'm a CCLS graduate who is now sending her kids to this school because it's so amazing! They have an awesome, caring staff who have been led by faith to teach. This is such a great community of families doing life together!

- Katy

We would be honored to serve your family at CCLS!

Apply Now!

- Visit ccsl-stlouis.org and click on the "Enrollment" button to begin the TADS online application process
