Financial Aid Procedures

Families applying for Kindergarten-Grade 8 at Christ Community Lutheran School may apply for financial assistance through FACTS. FACTS is not a source of assistance; rather, a third-party qualifier that is impartial, confidential and accurate. CCLS uses FACTS exclusively to calculate family tuition assistance need. Families may apply for assistance only after their application to CCLS is complete.

The annual financial need for CCLS families is greater than the funds available. Qualifying families receive a percentage of the assistance for which they qualify. In general, families do not receive assistance greater than 50% of the tuition, regardless of the amount for which they qualify. Students of families applying for assistance must be in good standing with CCLS or their prior school.

Each of the four CCLS association congregations awards their own member children. The CCLS Board of Directors entrusts tuition assistance scholarship awards for community families to the scholarship committee. Scholarship dollars are not available for the CCLS early childhood program.
