We had a lot of fun at Charger Camp this week learning how God divides and decorates His creation and directs us to care for each other with love and respect. I also enjoyed spending time with some of the basketball camps. The players learned the skills to be successful and enjoyed a little ice cream at the end! This is all just a foretaste of the fun coming with a new school year in just a few weeks. Please be sure to review the information below and continue to have a safe summer!

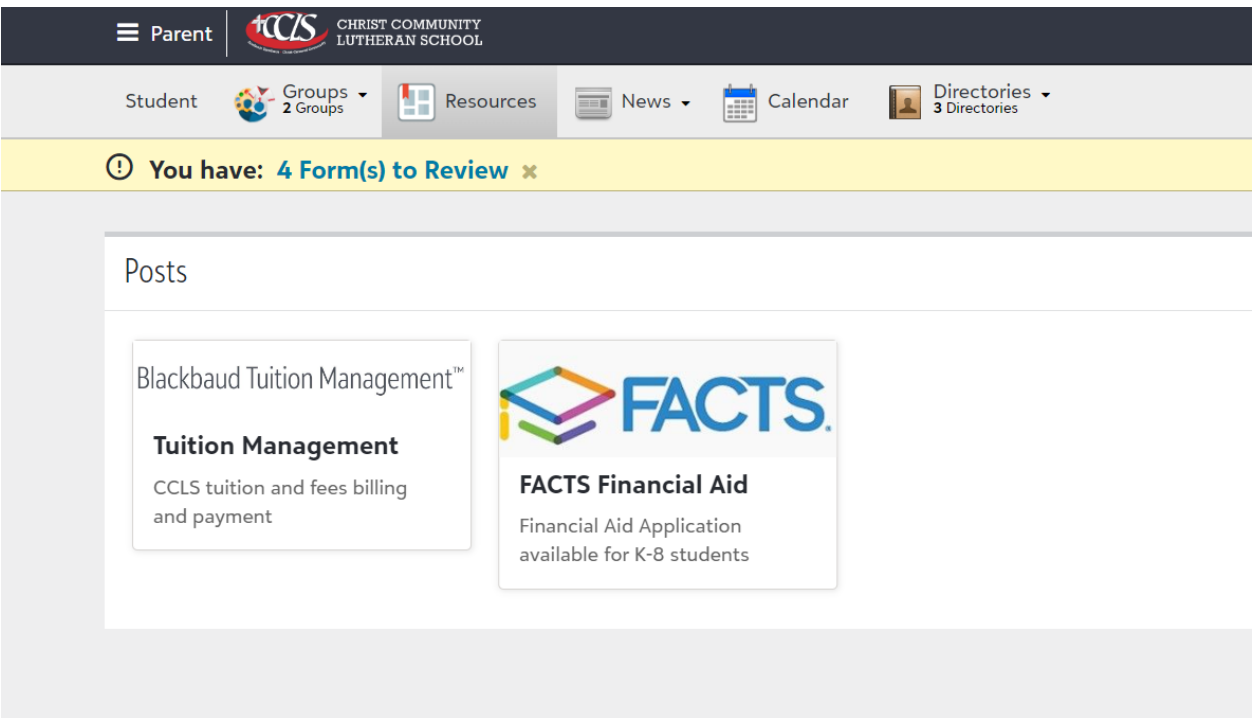

Have a great day in the Lord!  
Matt Hoehner, CCLS Executive Director
